

## GREYHOUNDCAPITAL

### **Investment Analyst**

A unique and exciting opportunity is awaiting the right candidate who is keen to pursue a career in investment management.

### **About us**

We are a dynamic hedge fund spin-off backed by a large Asian institution. Our business is growing rapidly hence we will have several openings considering juniors as well as more senior candidates. Our company's culture is very entrepreneurial and vibrant. You will be working in an international environment with people from diverse cultural backgrounds. Our investment approach is fundamentally driven, concentrated and index-agnostic, with a specific focus on Emerging Asia.

### **Your role**

We are looking for a highly motivated, bright, energetic and intellectually curious candidate who wants to pursue a career within investment management. This is a unique opportunity to start as an analyst and in time develop your career further within the company.

You will be working in an international environment, helping the founder in all aspects of investment management especially in analyzing investments. This will include, gathering data on investment targets, in-depth analysis and modeling of target businesses, management calls, company visits, following the business developments of our investments closely

### **Qualifications and skills required:**

- University degree, preferably in business or finance or engineering, with a strong academic track record
- Complete fluency in spoken and written **English** is a MUST
- Strong motivation and dedication to a career in investment management
- Analytical mindset and problem-solving skills
- Confident under pressure, action-oriented, with a strong desire to succeed
- CFA level 1, 2 or 3 passed exam an advantage
- **Vietnamese** language skills a strong advantage
- Relevant analysis experience a plus
- Recent graduates are welcome to apply

**Location:** Bangkok, Sukhumvit (Saigon, Vietnam could be considered)      **Package:** Competitive
